

**RECAMBIOS  
ECOGAS**

LPG/CNG SOLUTIONS FOR  
MOTORHOMES

LPG/CNG Ersatzteile für Wohnmobile.

# Who we are

**Recambios EcoGas** is the leading company in the distribution of spare parts and accessories for **Autogas LPG and CNG** systems in **Spain and Portugal**.

With more than 15 years of experience in the sector, we provide reliable solutions and specialized service for workshops, distributors, and professional fleets.

## Objetivo n° 01

Consolidate our position as number one in the Iberian Peninsula, offering the largest catalog of LPG/CNG spare parts.

## Technical support

Support workshops and professional installers with training, advice, and constant supply of certified material.

## Cleaner mobility

Promote sustainable mobility through Autogas solutions that reduce emissions and operating costs.

## New Partners

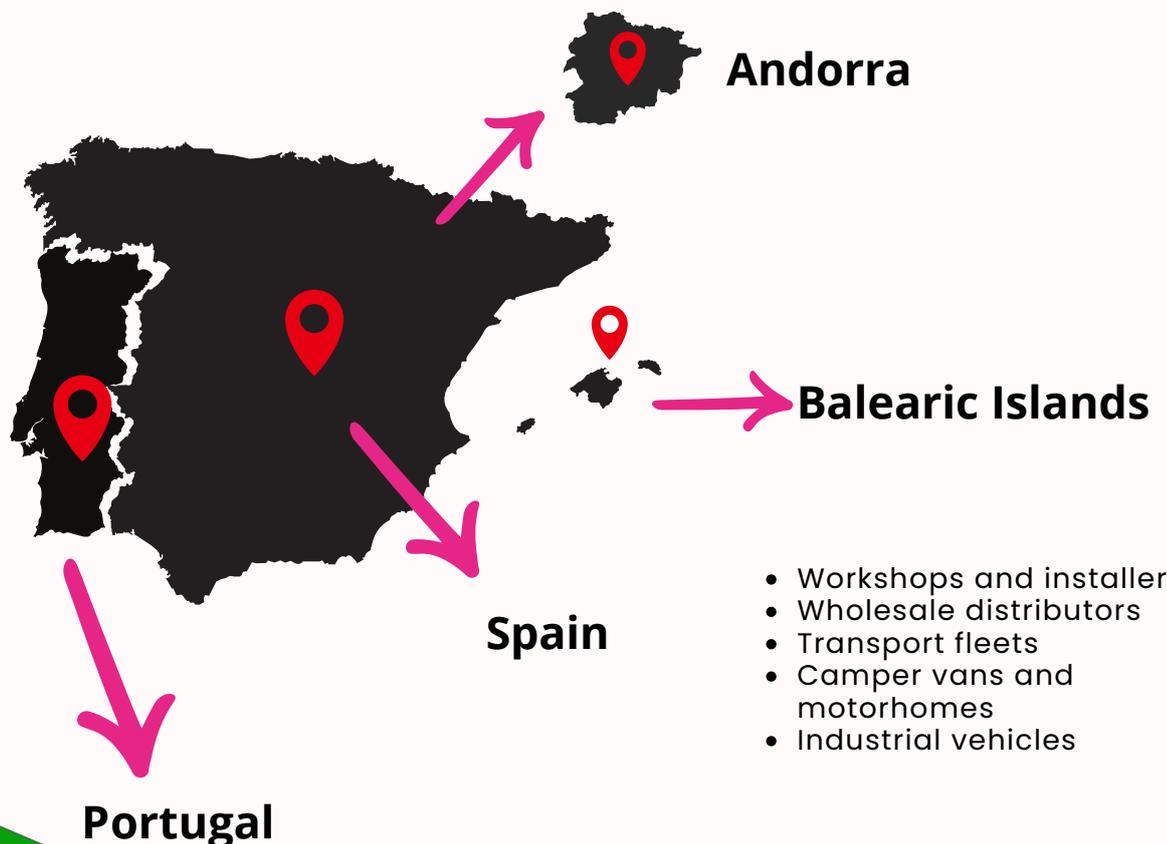

Expand our international network of distributors and partners, with a special focus on Central Europe and Germany.

## What we offer

- **Specialized and constantly updated catalog: over 5,000 references** in stock, including reducers, injectors, filters, tanks, valves, ECUs, and accessories.
- **Leading international brands:** Landi Renzo, Lovato, OMVL, Stag, HANA, Flashlube, and many more.
- **Fast and professional logistics:** deliveries within **24/48h** in Spain and international shipping with real-time tracking.
- **Technical support:** advice on compatibility, installation, homologations, and inspections.
- **Network of collaborating** workshops throughout Spain and Portugal, constantly supplied to ensure immediate availability.
- **Exclusive B2B conditions:** special prices for workshops, installers, and distributors with wholesale purchases.

## Sectors we serve

## Why collaborate with us?

- Immediate access to the Iberian market (Spain + Portugal) without the need to set up a local structure.
- Visibility and specialized marketing in LPG/CNG (SEO, trade fairs, catalogues, training for workshops).
- Purchase volumes and real stock with guaranteed turnover.
- Stable long-term relationship with competitive distribution agreements.

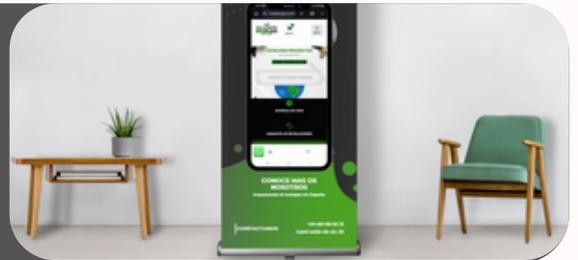

### Experience

More than 15 years of proven expertise in the Autogas sector.

### Visibility

Presence at international fairs, strong digital marketing, and positioning in Spain and Portugal.

### Efficiency

Agile logistics with 24/48h deliveries and international export.

### Trust

Transparent and stable relationships with brands and customers.
